“Experienced Leadership for a Stronger Santa Ana”

Raised in Santa Ana, I attended Fremont Elementary, Spurgeon Jr. High and Santiago High School. M.B.A. is from CSUF and my Law Degree from Loyola Law School.

My tenure on the council, in partnership with our School District, Neighborhoods, Public Safety and Business communities, has accomplished a better, stronger Santa Ana.

Education: School resources better aimed to best benefit our children; New schools being constructed additional classrooms created; overcrowding reduced; After-School programs strengthen and substantive subjects emphasized.

Neighborhoods: Improved communications, traffic plans created and protected, streets widened and repaired, substantive park/ playground improvements, storm drain improvements; New Children's Zoo, Skate Park, Soccer complex, Delhi Center and Logan and El Salvador renovations in progress.

Safer Streets: Increased emphasis on public safety funding, strong police/ D.A. joint operations and community policing, have resulted in a 12% decrease in crime. I fight crime for a living.

Economy: 2,300 new businesses, hundreds of jobs created, property values increased, and waiting lists exist to come live in Santa Ana.

Congratulations Santa Ana!
